

2010 Coastal Camp Scholarship Policy

Policy Statement

Coastal Camp is a program of the Headlands Institute, a nonprofit organization dedicated to providing meaningful experiences in the natural world for all children. We are pleased to be able to offer partial Coastal Camp scholarships to some families with limited financial resources. Because of our desire to assist as many families as possible, we are unable to provide full scholarships. Financial assistance will be disbursed based on the applicant's demonstrated financial need. All scholarships include complimentary early and extended care. **Each camper is eligible for one scholarship per summer.**

Selection Process & Timeline

The Coastal Camp Director will determine applicant eligibility for scholarships based on a thorough review of the scholarship application. Award amounts are determined by total household income and number of residents. Headlands Institute will begin accepting scholarship applications on January 25, 2010, and will review applications monthly. You can expect to receive notification regarding the status of your request within one month of submitting your application. We require a 50% deposit at the time of registration which can be credited towards your balance. If we are unable to award a scholarship, you will be expected to pay the balance of your registration fee within two weeks or you may request a full refund of your deposit.

Application Instructions

Please fill out the Scholarship Form completely. The Scholarship Form must be returned with a completed Coastal Camp Registration Form, a copy of your 2008 1040 tax form (if applicable; refer to Question 3 on Scholarship Form) and a check for the 50% deposit.

Mail completed application to:
Headlands Institute
Attn: Coastal Camp Scholarships
GGNRA Bldg. 1033
Sausalito, CA 94965

Application Checklist
