

Teen Environmental Action Mentorship (TEAM)

An Environmental Education Internship for Bay Area high school students

Headlands Institute

Golden Gate National Recreation Area, Sausalito, CA

Work at the beach in the breathtaking Marin Headlands for a leading nonprofit environmental education organization.

TEAM is a year-round paid internship in environmental education. Beginning with an eight day summer training, participants develop leadership and hands-on teaching skills while learning about the interconnections between themselves, natural, and urban environments. With the support of Headlands Institute education staff, Interns develop and lead interactive science and leadership based activities with our elementary and middle school field science participants. TEAM Interns work with an adult mentor Educator throughout the year to set and attain goals, gain first-hand experience of what it is like to be an Educator at Headlands Institute and to prepare and lead a lesson in an elementary school classroom of their choice. Interns also engage in community stewardship projects and learn about local environmental issues during the school year.

We seek applicants who are open to new experiences, want to be part of a diverse learning community and want to learn more about their environment and how they can make a difference. The ideal Intern candidates will be responsible and motivated young adults who enjoy working with elementary and middle school aged children. Candidates should be excited about one or more of the following: education, environment, science, community stewardship, leadership.

Please note that no prior experience in environmental education or leadership is required.

TEAM Intern responsibilities include:

- Serve as exemplary role models to elementary and middle school students.
- Represent Headlands Institute in a professional manner.
- Work cooperatively with fellow Interns and Headlands Institute staff.
- Clear and direct communication with mentors regarding punctual attendance and active participation in the program.
- Take responsibility for and organize personal and group teaching materials.
- A willingness to work both indoors and outdoors.

TEAM Intern Requirements

- Currently enrolled in high school.
- Able to commit to the entire, one-year internship program.
- Attend TEAM summer training August 9-13 and 16-18, 2010, including one overnight.
- Attend one day of Headlands Institute staff training at the end of August.
- Work 430-7pm once a week (Tuesday or Thursday) September 2010-March 2011.
- Attend one TEAM Saturday event per month to participate in stewardship projects and/or enrichment trainings.
- Observe a Headlands Institute Field Science Educator for one full school day in the fall.
- Attend the following 1-3 day weekend events: TEAM mid-year retreat (January), TEAM spring retreat (April).
- Prepare and teach one lesson to an elementary or middle school classroom in your community in March.
- Attend the end of the year TEAM celebration in April.

Print Name of Parent or Guardian _____ Relation to applicant _____

Parent or Guardian signature _____ Date _____

Home Phone () _____ Cell Phone () _____

E-mail _____

Print Name of 2nd Parent or Guardian (if applicable) _____ Relation to applicant _____

Home Phone () _____ Cell Phone () _____

E-mail _____

Part IV Essay Questions (2 of 2 pages)

7. What interests you about interning with Headlands Institute?

8. Describe a time you had to work with others as a team. What was it like? What did you learn from this experience?

9. Is there anything else you would like us to know about you?

The following yes/no questions will help us get to know a little more about you. Please circle the answer the best represents your experience. If you circle yes, tell us about your experience. If you circle no, tell us what you hope to gain by having the experience. Remember, we are looking for a diverse range of candidates and it is ok if you have not had some or all of these experiences.

I have work or volunteer experience. Yes No

I have experience working with children. Yes No

I have participated in a leadership or internship program before. Yes No

I have participated in an environmental program or club before. Yes No

Teen Environmental Action Mentorship

An Environmental Education Internship with Headlands Institute

Letter of Recommendation

Please ask a teacher, mentor, employer or other adult who is unrelated to you to write a letter of recommendation for you (up to one page) stating why they think you are an excellent candidate for the TEAM program.

Please be sure to review the TEAM internship program with this adult so that they can best speak to how you would be an asset specifically to the TEAM program. You may also refer them to: www.naturebridge.org/headlands/youth-leadership-programs for more information. Also, be sure to have them include the following in their letter: their name, a contact phone number, their relation to you and how long they have known you.

If this letter of recommendation accompanies your application, it must be in a sealed envelope and signed over the seal by the person recommending you. Alternately, it may be mailed separately or emailed by them to:
